Toni,

I am writing in response to the attached letter. Please let me know if you will need me to mail the answers and 50 copies, or if email will suffice.

- Applicant intends to provide services in both the service territory of Delmarva Power & Light Company and Delaware Electric Cooperative. Services include acting as an energy broker, marketing energy supply, handling all back end office work, and communications/relations with energy suppliers. Applicant focuses sales only on commercial accounts. Clients vary in size from 80,000 Kwh per year and up.
- Neither Applicant nor any of its affiliates have been denied approval by a State Commission to sell electricity to Retail Electric Consumers or had its authority revoked.
- Applicant's toll-free number is 800-726-8450.

Best,
Shayna

Re: In The Matter of the Application of Front Line Power Solutions, LLC For A Certificate to Provide Electric Supply Services within the State Of Delaware (Filed February 11, 2014) - PSC Docket No. 14-71

Dear Mr. Holmes:

The Delaware Public Service Commission ("Commission") is in receipt of the application (the "Application") by Front Line Power Solutions, LLC ("Company") for certification to broker electric supply services in Delaware. In order to recommend approval of the Application, additional information is necessary as indicated below. Staff would appreciate a response at your earliest convenience, however 26 Del. Admin. C. § 3001 (the "Supplier Rules") section 2.4 provides that incomplete applications will be closed four months after the filing date, which would require a response prior to June 11, 2014.

Section 2.1.1.4 of the Supplier Rules provides as follows: **Any Broker arranging the purchase of Electric Supply Service must procure electricity from an entity that complies with PJM's requirements and is a Certified Electric Supplier in the State.** Staff reminds the Company, that upon receiving certification it must comply with this section of the Supplier Rules.

Section 2.1.1.5.2 of the Supplier Rules provides as follows: **Brief description of the nature of business being conducted, including types of customers to be served, services provided and geographic area in which services are to be provided.** Please clarify whether the Company intends to provide services in the service territory of Delmarva Power & Light Company, Delaware Electric Cooperative, or both.

Section 2.1.1.5.4 of the Supplier Rules provides as follows: **A list of states in which Applicant or any of its affiliated interests has been denied approval by a State Commission to sell electricity to Retail Electric Customers or has had its authority revoked.** Provide a list of states, if any.

Section 2.1.1.8.4 of the Supplier Rules provides as follows: **A toll-free telephone number of customer service department.**

Section 2.5 of the Supplier Rules provides as follows: Upon the request of any Applicant, the Commission may, for good cause, waive any of the requirements of these Rules that are not required by statute. The waiver may not be inconsistent with the purpose of these Rules or Chapter X of Title 26 of Del. C. Should the Company intend to request a waiver of Section 2.1.1.8.4 of the Supplier Rules, please include in your response (1) a request for a waiver of the requirement set forth in Section 2.1.1.8.4 of the Supplier Rules and (2) the reason(s) the Company is requesting the waiver. Once the waiver request is received it will go before the Commission for approval at a regularly scheduled Commission meeting.

As applicable, please provide an original and five copies (Staff will reserve the right to request the additional five copies, if necessary) of the requested information.

Should you have any questions or if I can be of any assistance you may contact me at (302) 736-7534 or by email at toni.loper@state.de.us or you may also contact Ms. Malika Davis at (302) 736-7521 or malika.davis@state.de.us.

Sincerely,
